In all our freshwipes boxes – rectangle / cube / mini hygiene tissue packs and also in the newly launched pyramid boxes you will find a paper tag, inserted into the first piece, that helps you pull just-a-piece as you open the box.

And that should help avoid the mischance of freshwipes popping out in a bunch .. helplessly ...

The paper tag first piece puller carries our message on the 'Individual Social Responsibility' – “ .. do nurture at least one plant, at least in a pot”

First piece puller tags are also placed inside all customized freshwipes boxes we supply – with just the social message and our website url.
